<b>Simulation</b>	<b>Select One</b>
1. Find a quiet place, sit back and imagine how your Situation would work (or not work) based on the various Options and Consequences.	
2. Talk with peer, staff, or an other person about your plan of action.	
3. Write down on paper what may happen in your Situation based on your Options and Consequences.	
4. Practice your Options with one or more people using behavior rehearsal. Start simple and easy. Only make it difficult to test the learning.	
5. _____  _____  _____
