Thursday 23 and Friday 24 May 2024

Attention Autism™ Programme was developed by Gina Davies

Tutor: Kate Greenstreet, Attention Autism Advanced Practitioner

Course Description: This is a two-day course and equips attendees with the skills to set up and run the 4 Stage Attention Autism programme.

Training focuses on the practical aspects of intervention, working in a team and offering an irresistible invitation to learn. The programme targets the teaching of attention, communication and social interaction skills. We use demonstrations of the techniques in action, films of the work with children, practical hands-on experience for participants and ideas for activities.

The benefit of the intensive two-day course is that attendees will be given the skills to be able to set up the intervention immediately following the training.

Cost of course: TBC per person for all sessions and course materials. Refreshments will be provided throughout the day, participants will need to bring their own lunch.

Course Venue: SMILE Centre, Whitfield Aspen School, Mayfield Road, Whitfield, Dover, CT16 3LJ.

Please book by: **Friday 9 February 2024 for the Term 4 course and Friday 17 May 2024 for the Term 5 course.** If minimum required numbers to run the course have not been reached by this date the course will be cancelled.
